## **OESTREICHER CONSTRUCTION CREATES SERVICE CENTER FOR CON EDISON**

**NEW YORK** – APRIL 11, 2008 – Brian Donovan, Vice President with **Oestreicher Construction Corporation (Oestreicher)** is pleased to announce the completion of first floor renovation for **Con Edison (ConEd)**, at **8814 Foster Avenue** in Brooklyn. Overturning the entire first floor in a 9,000 square foot gut renovation, Oestreicher transformed the space into a complete utility service center. Oestreicher acted as construction manager and General Contractor for the project.

### **INFRASTRUCTURE AND SERVICE UPGRADES**

The newly constructed utility company's space will allow ConEd to perform daily operations necessary to provide electric, gas and steam service to more than 3 million customers in New York City and Westchester County, New York. The renovation included the replacement of the building's infrastructure, in addition to an electrical service upgrade.

As commercial interior specialists, Oestreicher's overhaul of the building reflected their continued dedication to providing creative, quality construction. Oestreicher's construction experience enabled the successful completion of a large-scale undertaking that will continually impact numerous people throughout the New York area.
