***OESTREICHER CONSTRUCTION COMPLETES MAJOR RENOVATION FOR
FORDHAM UNIVERSITY IN RECORD TIME***

NEW YORK – May 21, 2008 – Brian Donovan, Vice President with **Oestreicher Construction Corporation (Oestreicher)** is pleased to announce the completion of a renovation project for **Fordham University School of Law**, at **1790 Broadway** between 56th and 57th streets in Manhattan. Oestreicher handled an 8,000 square foot gut renovation throughout the 13th Floor, providing general contracting and construction management services. The project was completed on a rush schedule, 16 weeks of construction work was completed in only 10 weeks.

BUILT WITH LANDMARK SPEED AND INNOVATION

The building, located in the heart of New York City, has allowed Fordham the ability to continue to expand it's presence in the area and provide top tier education opportunities for its students as well as premier technologically advanced space for its faculty.

Oestreicher's talented team of construction experts made it possible for the job to be completed in landmark time. Despite the rush schedule, Oestreicher maintained their dedication to quality construction and they continually strive to excel at design and innovation that is reflected in their office renovation projects.
